

# QPR: Question, Persuade, Refer

Join us for a very insightful and important suicide prevention training. After completing this introductory training, participants will be able to recognize someone at risk for suicide, intervene with those at risk, and refer to them to an appropriate resource.

This training is FREE, but registration is required for this event. It is intended for professionals who work in the Geauga County community. Those trained will receive certification in "QPR: Question, Persuade, Refer."
